## **Elvstrøm package X-35.**

This package consists of an Elvstrøm Sails **EPEX** Mainsail from September 2010 and an Elvstrøm Sails **EPEX** Code 2 from April 2010.

They are in good condition and have been taken care of and serviced by the Elvstrøm factory.

Price: 32.000 DKK / 4.300 EURO.

## **Quantum package X-35.**

This package is a full package with Quantum Mainsail, Code 1, Code 2 and Code 3. All from June 2008, and used for 1,5 season.

The jibs are in good condition. The mainsail is not good for use in excess of 20 knots.

Price: 26.000 DKK / 3.500 EURO.

Another package which is pretty optimum is a combination consisting of Elvstrøm **EPEX** Code 2, Elvstrøm **EPEX** Mainsail, Quantum Code 1 and Quantum Code 3.

We used this combination when we won our bronze medal at the Europeans 2010 J.

Price: 45.000 DKK / 6.050 EURO.

More information about the sails, you can email or call me.

Best Regards
